

# Information for Team Parent Meetings

**Our purpose is to.....** “Support interscholastic sports offered at East High School by working to increase athletic event attendance and athletic program spirit, organize activities for parents and coaches to become acquainted, and provide funding for equipment and facility improvements.”

The support provided by the Athletic Booster Club depends on the contributions from membership, both family and business, and fundraising efforts. All of the money donated to the Athletic Boosters is used to support athletic programs at Lincoln East in the form of facility improvement, non-basic sport equipment purchases, licensing, training room equipment and rental of practice facilities.

## **Advantages of membership.....**

- Financial support - nearly \$60,000 was appropriated the past two years to fulfill coach's requests
- Receive a 10% discount on season passes (Season Sports Pass is \$58.50 instead of \$65, All-Season Pass is \$117 instead of \$130)
- Receive weekly e-mail with upcoming athletic events, and new this year, news and photos
- Recognition of membership in athletic events programs (twice per year)

If we join in and put our resources together, we can continue to provide significant contributions towards improving Lincoln East athletic programs.

## **Events and activities we sponsor.....**

- Booster Blitz athletic spirit kick off
- Athletic & school clothing & stadium seat sales
- Spartan spirit events
- Annual Spartan Golf Classic
- State tournament concession sales

Volunteering to help with these events and activities is another great opportunity to support our athletic programs and to meet East High families!

## **Recently appropriated items for East Athletics include.....**
